NOTES – PLEASE READ CAREFULLY

- We strongly encourage you to undertake rural/remote field experience for an invaluable opportunity to broaden your teaching experiences.
- Please consider your application seriously as a rural/remote placement takes time to organise. Schools look forward to having students and commit resources to planning for students.
- Preferences are sought as a GUIDE ONLY. Every effort will be made to allocate you to one of your area preferences; however, as some schools/areas are in very high demand, no guarantees can be given.
- North West, Central and Northern PCAP will reimburse students the cost of a return bus fare to specific areas. South West PCAP will drive students to their placement from the QUT Kelvin Grove campus.
- This program runs in all Queensland areas **excluding the Toowoomba region and the regional centres along the east coast from Brisbane to Cairns.** Most school placements will be within PCAP areas where reimbursement for transport is available. Examples: Longreach, Barcaldine, Richmond, Windorah, Emerald, Roma, Charleville, Quilpie, Cunnamulla, St George, Goondiwindi, Biloela etc. It is particularly difficult to place students in the Torres Strait, Cape and Weipa areas.
- Students would not normally be placed where they have family members enrolled or employed.
- Further information available at: <http://feo.ed.qut.edu.au/students/placement/remote.jsp>
- Please notify the FEO immediately if you withdraw from your Field Studies unit.

I understand that I may be placed in any approved rural or remote setting that meets the requirements of my Field Experience program.
